EIGHT KLAMATH STUDENTS AT 'U'

ONE GIRL AND SEVEN MEN CON-
STITUTE KLAMATH REPRESENTA-
TION AT STATE UNIVERSITY
AT EUGENE

(Herald Special Service)

EUGENE, Oct. 29.—Klamath coun-
ty has eight students at the state uni-
versity this year. They are Agnes
Driscoll of Bly, Fred Dunbar, Claude
Hill, Ralph Hurn, Ernest Nall, Donald
Newbury, Forrest Pell and Joe Skel-
ton of Klamath Falls.

Klamath students are taking an
active interest in student body enter-
prises. Fred Dunbar is a member of
the executive committee of the stu-
dent body, one of the highest honors
in college, and a member of Fraternity,
the senior honor society; Donald New-
bury is a member of the college glee
club, and Forrest Pell is on the foot-
ball squad.

This year's registration shows an
increase of 10 per cent over the en-
rollment of the corresponding time
last year. The growth is attributed
to the large graduating classes of high
schools throughout the state, the de-
velopment of higher education in gen-
eral, and the particular growth of the
university.

DETECTIVES LONG ON GERMAN PLOT

EIGHTY-FIVE SECRET SERVICE
MEN WORKED FOR MONTHS IN
TRYING TO CATCH HIGHER UPS
OF DYNAMITE PLOTS

(United Press Service)

NEW YORK, Oct. 29.—Eighty-five
detectives and the collector of the
port office have worked for months on
the conspiracy to blow up steamships
and munition plants, hoping to catch
the higher-ups. They feared to take
more chances, and so arrested Fay
Scholtz and others.

What the international develop-
ments of the case will be are only
conjectured. Officials think that a
plot will be made to Germany and
a disavowal demanded.

Chief Flynn said that the govern-
ment hasn't any evidence that the
bomb plotters were linked with the
German government.

"We are confident somebody is be-
hind them," he said, "and we are con-
centrating our efforts to ferret out
their backers."

Wall Street Working at Night Because War Stocks Boom

The great fifteen, twenty and thirty
story skyscrapers of the Wall street
district are alight these nights with
thousands of clerks trying to keep up
with the boom and tremendous trad-
ing in war stocks. This photograph
was taken from a point on Wall street
a block east of the bank of J. P. Mor-
gan & Co., at Wall and Broad streets.
In the distance is seen the tower-like
structure of the Bankers Trust com-
pany, a concern named by the con-
gressional money trust investigation
as one of the seven leaders in the

money trust. The building is alive
with brokers, and almost every win-
dow is lighted these nights. At the
extreme end is Trinity church, at the
head of Wall street. In the foreground
on the left are towering buildings,
which are filled with brokers. Some
clerks worked night and day until
they dropped. There were many
cases of exhaustion. Six months ago
Wall street was complaining of stag-
nation, and brokers said their office
expenses were greater than their in-
comes. Now they cannot get clerks
to keep their books and count their
profits.

OCTOBER 30TH WILL BE DAY OF DAYS AT THE EXPOSITION

(Herald Special Service)

SAN FRANCISCO, Oct. 29.—The
program for Oregon Participation Day
October 30th, at the Panama-Pacific
exposition, promises that in this as in
every other mode of co-operation, Ore-
gon will be to the front in the coterie
of states that know how to do and
when to do.

The Oregon Building ever since the
first day of the exposition has been the
scene of interesting activities, social
and commercial. It has been the
Mecca of all visitors at the exposition
who were looking for open-hearted
and open-handed hospitality. Under
the gracious administration of Mrs.
Charles Gray, the official hostess,
there have been any number of smart
events, many of the most noted mu-
sicians in the world having been
heard there in concert and solo mu-
sicals.

Therefore it is no wonder that Ore-
gon Participation Day will be one of
the gala days of the exposition period.
Thousands of Oregonians in Califor-
nia will come from all over the state
to take part in the celebration and
festivities. Thousands are coming by
special trains from Oregon. Thou-
sands of outsiders who have learned to
call Oregon friend will gather to par-
ticipate in the event where the same
hospitality which has kept the warm
glow of Oregon pine logs burning
night and day in the Oregon building,
where any visitor was sure of warmth
and welcome at any hour, will be dis-
pensed.

The program for the week will be-
gin on Saturday, October 30th, when
President Charles C. Moore and offi-
cials of the exposition will give a
handsomely appointed luncheon in
the president's private dining room
in the administration building. Here

GOVERNOR WITHYCOMBE
Guest of Honor

there will be toasts and speeches by
the governor of California, the pres-
ident of the exposition, and important
men of the state and city. These will
be responded to by Governor Withy-
combe and his escort.

Following the luncheon the govern-
or will be escorted to the Oregon
building by a company of Marines and
an exposition band, and the president
of the exposition and his officials.
Here in the presence of foreign and
state commissioners and thousands of
Oregonians, speeches and presenta-
tions will take place. Afterwards
there will be a reception in the build-
ing where there will be special souve-
nirs and Oregon fruits and juices for
all visitors.

In the evening there will be a ban-
quet given in the New York building

in honor of Governor Withycombe at
which covers will be laid for a hun-
dred and fifty guests. Sunday will be
given over to rest and a general re-
ception, when all visitors will be wel-
comed and entertained informally.

Monday afternoon at 4 o'clock the
visiting ladies and escorts will be en-
tertained at tea in the reception room
of the Oregon building. That evening
the exposition president, Charles
C. Moore, and officials will be hosts
at an elaborate ball in the California
building.

The five days' gaiety will close on
Wednesday evening, November 2d, at
9 o'clock, when there will be a recep-
tion and ball in the Oregon building.
The Oregon commission wishes to
extend an invitation to all Oregonians
in California, either visitors or adopt-
ed citizens, as it is the express wish
of Governor Withycombe to meet on
terms of sociability with all those
with the slightest affiliation with the
state which has made him its chief
executive. This ball will equal in
size and grandeur any of the nume-
rous lavish entertainments accorded
visiting notables during the expo-
sition period. The brilliant uniforms
of naval and army officers, the decora-
tions of the foreign commissioners,
the radiant beauty of the women's
gowns, the profuse loveliness of Ore-
gon's greens and flowers and the air
of bon camaraderie which always per-
vades everything Western, will com-
bine towards an evening which will
long live in the memories of those
who are fortunate enough to attend at
one of the day of days of the splen-
did ten months of the Panama-Pacific
International Exposition.

GLASS OF SALTS CLEANS KIDNEYS

IF YOUR BACK HURTS OR BLAD-
DER BOTHERS YOU, DRINK
LOTS OF WATER

When your kidneys hurt and your
back feels sore, don't get scared and
proceed to load your stomach with a
lot of drugs that excite the kidneys
and irritate the entire urinary tract.
Keep your kidneys clean like you keep
your bowels clean, by flushing them
with a mild, harmless salts which re-
moves the body's urinous waste and
stimulates them to their normal activ-
ity. The function of the kidneys is to
filter the blood. In twenty-four hours
they strain from it 500 grains of acid
and waste, so we can readily under-
stand the vital importance of keeping
the kidneys active.

Drink lots of water—you can't
drink too much; also get from any
pharmacist about four ounces of Jad
Salts; take a tablespoonful in a glass
of water before breakfast each morn-
ing for a few days and your kidneys
will act fine. This famous salts is
made from the acid of grapes and
lemon juice, combined with lithia, and
has been used for generations to clean
and stimulate clogged kidneys; also to
neutralize the acids in urine so it no
longer is a source of irritation, thus
ending bladder weakness.

Jad Salts is inexpensive; cannot in-
jure; makes a delightful effervescent
lithia water drink which everyone
should take now and then to keep
their kidneys clean and active. Try
this, also keep up the water drinking,
and no doubt you will wonder what
became of your kidney trouble and
backache.—A.D.V.
